Cemetery Board Meeting

@ Jacks Place Bar and Grill in Connorsville

Present: Marv Prestrud, Tom Schoonover, Jeff Carlsrud and Jayme Beyrer

Meeting called to order by Prestrud at 1:00.

Motion made by Schoonover to set aside lots specifically for CREMAINS.

The cremains lots will be half blocks for sale. Each block consisting of 2ft (instead of 4 feet for a full block) The cremains blocks will allow for a 1 ½ ft headstone, No footstone, and allow for 2 cremains to be buried per block. The first cremains must be buried nearest to the headstone, and the second cremains, behind the first.

The fee for a cremains block will be at the current price of \$300.00 (150.00 for the block, and \$150.00 for perpetual care.) No one shall be allowed to purchase a block without perpetual care. This cost of a Cremains lots and blocks may change as seen fit by the cemetery board.

There will be an interment fee at the time of burial of cremains. The cost is currently \$175.00. This price is applicable to the current price as to when the burial takes place. No person shall purchase interment fees in advance. Although purchase of block and perpetual care may be purchased in advance and be recorded in the sexton's record book.

The numbering of these cremains' blocks will be the original block number that was set forth by the cemetery board, with an A or B to designate the right half of the full block or the left half of the full block.

The sexton will designate which lots will be divided into Cremains blocks. No human remains burials will be allowed on such block. The whole lot will be designated as Cremains blocks. No other lots within the cemetery will be divided up into cremains lots. Only the designated lots. (Cremains will be allowed on full lots, as set forth the bylaws)
