APPROVAL OF AGENDA

Motion by Seguine, approved by Carlsrud, seconded by Sander to approve the meeting agenda of June 22, 2022, as distributed. Motion carried unanimously.

Seguine noted that he had emailed with Dr. Heather Ann Moody, UW Eau Claire, American Indian Studies department about the Indigenous history of the area. Noted that there are not a lot of studies on this topic in Dunn County, but the area was historically Ojibwe land. Remarked that he would like to see expansion of the history section of the Land Plan, especially with some of the feed store, grain mill, cooperative, and existing historical building history included.

The group talked for a while about how the food cooperative that ran in Connorsville in the basement of the town hall operated, with stories from Wiehoff. The group talked about asking Jamie Beyrer to add some history from her book into the Plan.

Carlsrud noted that she was still working on the Mission Statement.

The group brought out the Geology maps that Neil Koch had gifted to the township.

French spoke about the geology of Dunn county, how the land was covered in a shallow sea 500 million years ago, and that is why we can see limestone in some areas and sandstone in others.

Was unable to contact Jayme Beyrer, and so the guest presentation regarding the history of New Haven Township was canceled.

The commission members agreed that the next meeting would be on September 28, 2022 at 7:30.

MOTION TO ADJOURN MEETING

Motion by Seguine to adjourn the meeting, approved by Sander, seconded by Carlsrud. Motion carried unanimously. Meeting adjourned at 8:15pm.

Respectfully submitted by,
Andrew French, Plan Commission Secretary
